Dear Mr. Manley:

We have much comment on the game on Tuesday night. Every body enjoyed it. I am enclosing a poster giving you an idea of some slight changes that I know will help to increase revenue. Trust they will meet your approval. I am running a week's add in the local paper and on the Air for 3 days prior to the game. And with the posters should be sufficient.

I tried to get Raleigh yesterday for your open date but a game is scheduled for that date. I shall wire you if any thing worth while turns up. The Clowns play to-day.

Any thing you want done, let me know at once.
It is still very cool. Overcoats and sweaters were plentiful last night.
Regards to friends of the teams.

Yours,

C. Dillard, Jr.
